COMPASS TEST DATES SUMMER 2010

The Alabama State Board of Education requires all entering students who enroll for more than four credit hours or eight weekly contact hours per semester to be assessed using the COMPASS Computerized Placement Test. The COMPASS results are used to determine student placement in English, reading and mathematics courses. Scheduled placement test dates and times are listed below. **Students should schedule a testing appointment by calling the appropriate campus number.** Be prepared to test for approximately three hours. **DO NOT BRING CHILDREN!** Photo identification is required. Bring a pencil with you. You may also bring a simple calculator. Because of limited seating in the testing sessions, students are encouraged to take the placement test at their earliest convenience.

COMPASS RETEST POLICY

Students may retest only at the mid-term of the first semester of their enrollment in developmental courses and again, if necessary, at the end of their first semester of developmental courses. In order that retesting is not abused, acceptable reasons for retesting include: **1)** attempting to improve scores for higher course placement; **2)** never enrolled in English, reading or mathematics courses; and **3)** COMPASS test or any other assessment was taken more than three years ago. The retesting fee is \$8.00 per component. Fees must be paid in the Business Office on the Main Campus prior to retesting. You must have your receipt in order to retest.

COMPASS TEST DATES

Prior to taking the COMPASS Assessment, please go to www.act.org/compass/sample/index.html for sample questions that will be similar to the items on the Assessment.

MAIN CAMPUS: Students **MUST** schedule a testing appointment by calling 405-7100, 405-7104 or 405-7106 between the hours of 9:00 a.m. and 3:00 p.m. Report to Room 100 in Caldwell-Richardson Building at the designated time.

It is very important to have submitted an application to Bishop State **BEFORE** taking the COMPASS Test.
