FINANCIAL AID

Bishop State offers financial aid in order to help students afford the cost of attending the institution. Three basic types of assistance are available: scholarships, grants and work-study employment. For detailed information concerning financial aid, call 251.405.7015. For tuition and fees, please visit www.bishop.edu or call 251.405.7000.

Physical Therapist Assistant

WORKFORCE DEVELOPMENT AND LIFELONG LEARNING

Bishop State's Division of Workforce Development and Lifelong Learning offers a wide range of training for Business and Industry programs, Continuing Education Unit (CEU) credit courses, special courses and noncredit courses. Training may be carried out on-site or at any of the college's four campuses. For additional information, call 251.405.7056.

PLACEMENT TESTING

The Alabama State Board of Education requires that all entering students, who enroll for more than four credit hours or eight weekly contact hours per semester, be assessed using the COMPASS Computerized Placement Test and placed at the appropriate levels as indicated by the assessment results. The COMPASS results are used to determine student placement in English, reading and mathematics courses. Test results are used to advise course selection.

ADULT EDUCATION / GED PREPARATION

Bishop State Community College administers the Adult Education Program for Mobile and Washington County, which prepares adults 17 years and older, who have officially withdrawn from high school for the American Council on Education's General Education Development

*Daycare facilities are available on our Main Campus and Baker-Gaines Central Campus.
Call 251.405.7251 or 251.405.4416 for information*

(GED) tests. The GED tests cover the academic knowledge and skills learned in four years of high school: reading, writing, social studies, science and mathematics. For registration information, call 251.662.5370 or send questions to aspears@bishop.edu.

DUAL ENROLLMENT

The Dual Enrollment/ Dual Credit Program allows eligible high school students to earn high school and college credits simultaneously. College courses count toward high school graduation credits and the courses remain a part of the student's regular transcript. See your high school counselors for details or call Bishop State Community College Registrar's Office at 251.405-7003.

Automotive Body Technology

ARTICULATION AGREEMENT

Bishop State Community College and the public school systems of Mobile and Baldwin counties have developed articulation agreements facilitating the transfer of technical credits for corresponding high school technical programs. Students interested in receiving college credits for course work completed in high school

Process & Maintenance Technology

technical programs should consult their high school technical program director or the Dean of the Technical school at 251.665.4083
