Office of Financial Aid Dependent Verification Worksheet

Your 2022/2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Before awarding Federal Student Aid, we will ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and a parent whose information was reported on the FAFSA must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us.
