Office of Financial Aid Asset Clarification Request

Your 2022/2023 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. Before awarding Federal Student Aid, we will ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected.

Please complete and sign this Asset Clarification document indicating the value of all assets **as of the date the student completed the 2022/2023 FAFSA**. Asset information was left blank on the FAFSA, but is required because the student does not qualify for the simplified needs analysis.
