### About Thompson Engineering

## Job Posting Details

Thompson Engineering was established in 1953 in Mobile, Alabama. Since then, the company has grown to include multiple offices in states throughout the Southeast.

Thompson Engineering is a subsidiary of Thompson Holdings, Inc. Our sister companies are Watermark Design Group, an architectural and interior design firm, and Thompson Consulting Services, a disaster recovery consulting firm. As a group, the three firms provide a broad range of architectural and engineering services.

Thompson is an employee-owned firm with more than 300 personnel in multiple disciplines. Our staff has a vested interest in providing safe, quality driven, successful projects that are completed on time and within budget. Our business relies heavily on our performance and the repeat satisfaction of our customers.
