

## Financial Aid Shopping Sheet

The financial aid shopping sheet is intended to provide prospective students and/or their parents with estimated costs of attending Bishop State College and the available financial aid offers to offset the costs.

Since the College does not participate in the federal student loan programs, no loan information, including the loan default rate, median borrowing or loan options are listed on the shopping sheet.

A generic financial aid shopping sheet with estimated costs of attendance is listed below for prospective students who have not yet completed the Free Application for Federal Student Aid (FAFSA).
