### Job Description

DESCRIPTION:

- Geotechnical Engineering
- Mobile, AL, USA
- Depends on experience and qualifications
- Full Time

We are accepting applications for a Senior level or Professional level Geo-technical Engineer.

## Job Posting Details

This position has technical responsibility for interpreting, organizing, executing, and coordinating assignments. Plans and develops engineering projects, including definition of project scope. Competent in all conventional aspects of the subject matter of the functional area of the assignment, plans and conducts work requiring judgment in the independent evaluation, selection, and substantial adaptation and modification of standard techniques, procedures and criteria. Devises new approaches to problems encountered. Requires sufficient professional experience to assure competence as a fully trained worker.

### DUTIES

Independently applies extensive and diversified knowledge of principles and practices in broad areas of assignments and related fields.

Reviews complete project documents for conformity and quality assurance.

Assists upper level management and staff as a technical specialist or advisor.

Plans, develops, coordinates, and directs multiple projects or a project of major scope and importance.

Prepares proposals for projects based on scope and complexity of work.

Plans, organizes and supervises the work of staff engineers and technicians.

Reviews and approves scopes, budgets and schedules for projects assigned.

Interacts with clients, customers, officials, contractors throughout each project through completion.

Attends project meetings and presents specific aspects of engineering assignments.

Ensures on time and regular attendance

### QUALIFICATIONS

#### Minimum Requirements

1. Bachelor's degree in Engineering from an ABET/EAC accredited curriculum.
2. Five-15 years' experience in Geo-technical Engineering
3. Registered Professional Engineer (PE)

#### Physical Requirements

1. Must be willing to work flexible schedules and overtime as needed by the department needs.
2. Must be able to operate a computer and sit for long periods of time.
3. Must have a valid driver's license.
