- _____ Student health and/or liability insurance/Red Cross certificate fee
- _____ Graduation fees, required testing fees or Biology field experience

BSCC will apply any Title IV FSA program funds (Pell or SEOG) you receive to pay tuition, fees, and other allowable charges first. After these charges have been paid, any remaining credit balance will be sent to you in check form.

You may cancel or modify this authorization at any time. **If you do not cancel the authorization, it will remain in force for the entire period that you are enrolled at BSCC.**

A cancellation or modification will take effect on the date the school receives it from the student. If the student cancels an authorization to use FSA program funds to pay for allowable charges other than tuition, fees, or minor prior-year charges, the school may use FSA funds to pay an authorized charges incurred by the student before the notice was received by the school.
